## 1. Getting Started: Registration and Login

- This section covers creating a new account and accessing the Quick Order system.
- Viewing the TOS for the policy of the system.
- Toggling the checking to proceed.

### Step 1.1: Registering a New Account

- To use the service, you must first create a customer account. Navigate to the Registration Page:

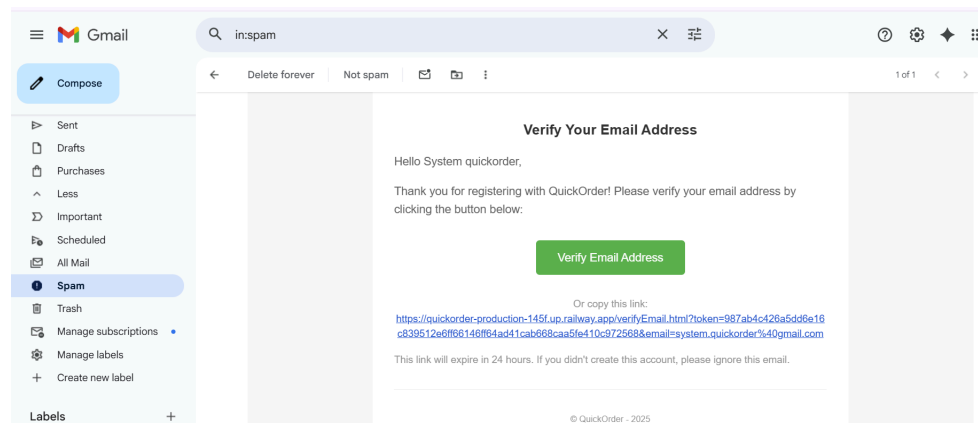

The image shows the 'Create Account' registration page. At the top, there is a link '← Back to home'. The title is 'Create Account' with the subtitle 'Join QuickOrder and start ordering today'. Below this, there are four input fields: 'Full Name' (placeholder: 'Enter your full name'), 'Email Address' (placeholder: 'Enter your email'), 'Password' (placeholder: 'Create a strong password'), and 'Confirm Password' (placeholder: 'Confirm your password'). Below the password fields, there is a checkbox labeled 'I agree to the Terms of Service and Privacy Policy'. At the bottom, there is a green 'Create Account' button. Below the button, there is a link 'Already have an account? Login here'.

- Check the inbox of the email address you used for registration.
- Look for an email from Quick Order.
- Click the verification link provided in the email.
- Once verified, you can proceed to log in.

### **Step 1.3: Logging In to Your Account**

- Access your account using your registered credentials.
- Navigate to the Customer Login Page:

- Enter your registered email address and password.
- Click the login button to enter the main dashboard or home screen (Quick Order Home Page).

## **2. Placing an Order**

- Once logged in, you can browse the menu and proceed to checkout.

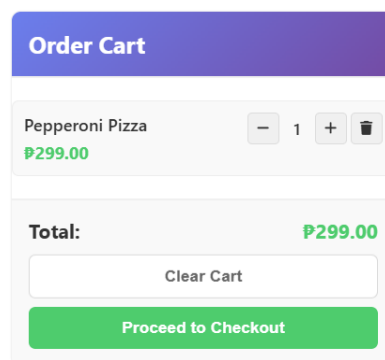

### **Step 2.1: Browsing the Menu**

- From the home page or dashboard, click the "Browse Menu" button or navigate directly to the Menu Page:

<https://quickorder-production-145f.up.railway.app/menu.html>

- Browse through the available categories and items.
- Click on an item to view details or add it to your order (cart).

### Step 2.2: Viewing Your Order List and Checkout

- After adding all desired items, navigate to the Ordered List Page (your shopping cart):

The screenshot shows the 'Your Order' page in the Quick Order app. At the top, there's a navigation bar with the 'Quick Order' logo and links for 'About' and 'Contact'. The main content area is titled 'Your Order' and features a list of items. In this case, it's 'Pepperoni Pizza' priced at P299 each, with a quantity of 1. Below the item list, there's a section for a discount code with a text input field and an 'Apply' button. The total amount is displayed as P299. An 'Important Notice' box states that orders are not saved and must be repeated. A 'Next' button is at the bottom.

- Review all items, quantities, and the total cost. You may remove items or adjust quantities here.
- Proceed to checkout. This usually involves:
- Confirming or entering your delivery address and contact details (if not already done via the Customer Details Page).

The screenshot shows the 'Customer Details' page in the Quick Order app. It prompts the user to 'Please provide your delivery information'. The form includes fields for 'Full Name' (filled with 'Juan Dela Cruz'), 'Phone Number' (with a placeholder 'e.g. 09123456789'), 'Delivery Type' (with radio buttons for 'Pick Up' and 'Delivery'), 'Email' (filled with 'system.quickorder@gmail.com'), and 'Special Instructions (optional)' (with a placeholder 'e.g. no onions, extra sauce'). A 'Proceed to Payment' button is at the bottom.

- Selecting your preferred delivery/pickup time.

## Step 2.3: Selecting a Payment Method

- During the checkout process, you will be prompted to choose a payment method, or you can manage them on the Payment Methods Page:
